FOUNDATION

WATER REFILL STATION APPLICATION

*(Please Download, Complete, and Email to
email@robmachadofoundation.org)*

SCHOOL INFORMATION

School Name

School Address

Type of School

Public or Private?

Enrollment

What is the current student enrollment?

Free and Reduced Lunch Percentage

What percentage of students are eligible to participate in the Federal Free and Reduced Meal Program? (The answer should be a number between 1 and 100.)

POINT OF CONTACT

Name:

Title

Phone Number:

Email Address:

SCHOOL ENVIRONMENTAL COMMITMENT

Reason for Application

Describe your need, and interest for a water refill station.

School Engagement

Does the school provide education or activities aimed at reducing single used plastics? Does the school have an environmental or water club?

Competitive Water Sales

Does the school sell single-use plastic water bottles during the school day?

Does the school sell single-use plastic water bottles at events?

Additional Information

Please provide any additional information that you would like to share here.

FACILITIES

Water refill stations require access to a water hookup and electricity. Is there a location that meet these requirements that is also protected from outside elements (i.e. sun damage, rain, pests)

Proposed Location

Describe the proposed site (indoor/outdoor, etc) including the number of students that pass by the location. If not known, please put NK.

Maintenance

Water refill stations require maintenance/filter changes every 5,000-10,000 fills (often once/year). The cost is approx. \$300 and will be performed by an authorized technician. Does the school agree to pay for the required ongoing maintenance?

FUNDS

Donor Organization or Person

If an organization or person is willing to contribute to the cost of a water station, please list the name(s) and amount(s) here.

APPROVALS AND APPLICATION CERTIFICATION

Approvals

Are there additional approvals that must be received in order to install the unit?

Application Certification

I certify that I am duly authorized by the school to apply for a water station. I further attest that the information provided in this application is accurate to the best of my knowledge.
